Topic : Someone in my school,

I take advantage of this occasion to write this letter to you. I want to greet you and your family. Before starting, today is a real pleasure for me to tell you a little bit about someone in my school. Today is a great privilege for me to tell you about someone in my school. That person draws my attention. Today is a great privilege for me to tell you about an example that everyone would follow in their life. I have an administrator in my school, he's very particular. He does everything right as his job. He has no equal. He's always ready to give pieces of advice at any time. I follow him when I come in the school, because of his way. He's cool. I always say that I want to be like him when I am older. I would like to know if you have someone in your activities that you follow and why? Is he/ she an example for you? I wanted to tell you about Mr. Chancy Sinous. I take advantage to thank you for your supports given to me in my school activities. I will always pray God to always bless and protect you and your family. Thank you.
